

Jeli Quilts

Goosing Around Paper pieced block

Notes & tips:

- Includes templates to make a 4", 8" & 12" finished block.
- Templates include a 1/4" seam allowance.
- When printing make sure to select 'actual size' in the printing options and check that the inch scale is correct on the print outs.
- Reduce your stitch length to 1.5-1.8 when paper piecing, this will help when it comes to tearing the paper off.
- Backstitch at the start and finish of each seam.
- Please do not copy or redistribute this pattern in any form without the written permission of the author.
- For any items made using this pattern sold online, please include "Pattern designed by Kelly Liddle (Jeliquilts)" within the description.
- For more Jeliquilts patterns please visit my pattern shops:

Block instructions:

4" block – print and cut out 4 - 2.5" templates
8" block – print and cut out 4 – 4.5" templates
12" block – print and cut out 4 – 6.5" templates

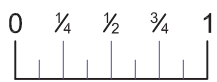

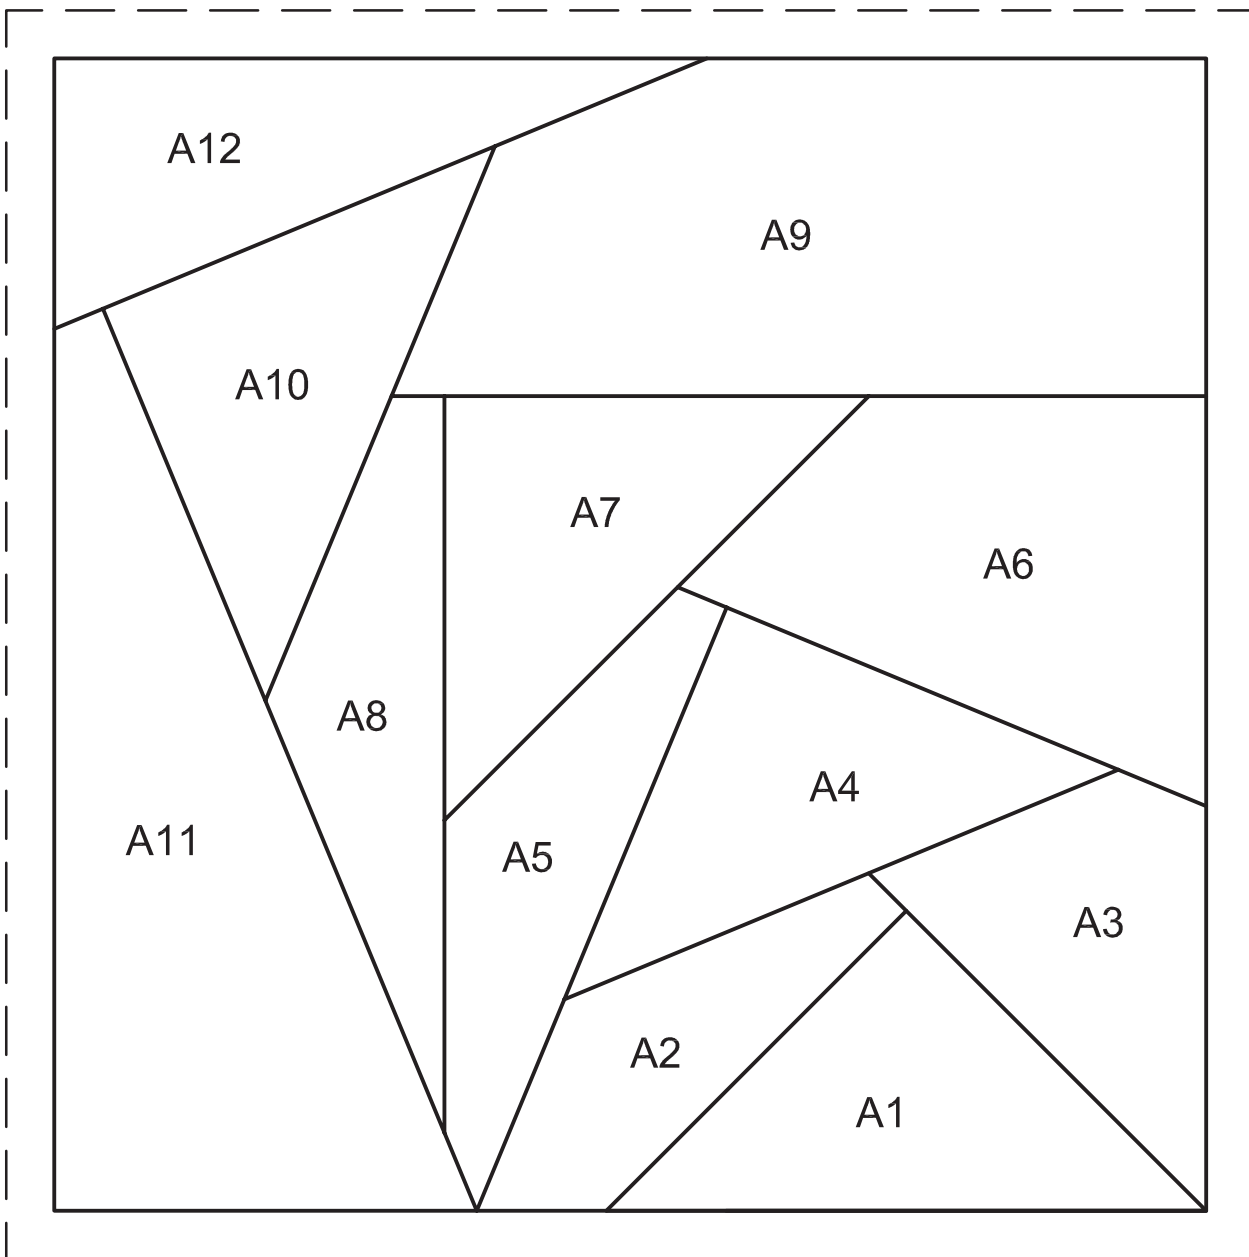

- Using the foundation paper piecing technique, piece all four blocks and sew together into a four-patch.
